

Submission Guidelines for White Dog Press

The goal of White Dog Press is to share the culture, experiences, and history of the Chickasaw people through exceptional published works that inspire creativity, ignite the imagination, and inform readers.

We welcome manuscript submissions, from both established and first-time authors, about Chickasaw subject matter in genres such as fiction, children's, graphic novels, young adult, creative or narrative nonfiction, poetry, and memoirs.

Submissions should consist of a cover letter, a full synopsis of the project, and a completed manuscript.

The cover letter should include:

- The title of the work, author's name and contact information, and a final word count.
- A brief overview of the manuscript that contains a one-sentence tagline, that summarizes or creates interest in the book, followed by a succinct two-to-four paragraph book description.
- The intended audience, genre, and age-range for the work.
- A brief author bio. Please note any previously published work, awards, certificates, degrees, or experience relevant to the submission.
- If applicable, indicate the number and type of illustrations, photos, maps, audio or multimedia components that accompany the manuscript or are necessary for publication (these items not required for submission).

The synopsis should be five pages or less, and for fiction submissions, should explain the plot in detail from beginning to end. For nonfiction or poetry submissions, please describe the content and organization of the manuscript.

Manuscripts should include a title page with the title of the work, author's name and contact information, a final word count, and genre. Please prepare manuscripts to the following specifications:

- Text in 12-point Times or Times New Roman, double-spaced, and left-aligned. If submitting a hard copy, pages should be single-sided.
- Margins of 1-inch on all sides. Header and footer margins should be ½ inch on the top and bottom.
- Do not include running heads in the header or footer (Example: author name, title, or chapter).
- Do not use automatic hyphenation features in your manuscript. The only words that should be hyphenated are compound words.
- Number all pages in the manuscript either consecutively or within each chapter.

We value your submission and will work to provide you with a response within a reasonable timeframe. However, please be aware our review process can take up to six months. While we do accept hard-copy submissions, we strongly encourage electronic submissions by email. Submissions should be sent to:
