CHICKASAW PRESS

Chickasaw Press publications enable our tribe to share our rich history and culture with non-Chickasaws and to educate Chickasaw tribal members, thus enhancing relationships with the greater community and creating an understanding of Chickasaw self-governance and sovereignty.

CHICKASAW PRESS GOAL

The goal of Chickasaw Press is to preserve, perpetuate, and provide an awareness of Chickasaw history and culture. We accomplish this by generating and publishing research and scholarship about Chickasaw history and culture, making such scholarship accessible to Chickasaw people, exercising “cultural and intellectual sovereignty” by adhering to ethical and culturally appropriate research and publication practices, and providing an outlet for Chickasaw authors, scholars, and culture bearers.
WHITE DOG PRESS

White Dog Press was established in 2013 as a secondary imprint of Chickasaw Press. It allows Chickasaw Press to build upon its goal of preserving, perpetuating, and providing an awareness of Chickasaw history and culture by embracing popular genres and creative projects that do not fit under the umbrella of research and scholarship.

White Dog Press affords us the opportunity to further share the history, culture, and experiences of the Chickasaw people through literary categories such as historical fiction, children’s books, young-adult literature, how-to books, travel writing, creative or narrative non-fiction, poetry, and memoirs.

WHITE DOG PRESS GOAL

The goal of White Dog Press is to share the culture, experiences, and history of the Chickasaw people through exceptional published works that inspire creativity, ignite the imagination, and inform readers.

Anchored by the moon to keep the stars from spinning out of control, night sky whispers of buried secrets, danger stretching out between her shiny arms. Hidden mysteries gather inside rough canyon walls.

Lonely shadows wander through hillside thickets, clutching secrets left behind by gasping young men on blood moon nights in bitter cold wind. Follow her signs and don’t dare look back, night sky will guide you home.
